## Navy Defeats Army and Yale and Harvard Tie.

The annual game between the Annapolis Midshipmen and West Point Cadets at Philadelphia Saturday, was a repetition of the Navy victory last year. The game was a hard fought one, neither team having been defeated this year. The same play won this year and the same player won the game with his foot, Jack Dalton, of Nebraska, the Navy captain, kicked a field goal from the 20 yard line, making the only score and the result was 3 to 0, the same as 1910.

### Yale and Harvard.

The annual game between the Yale and Harvard teams at Cambridge resulted in a tie, 0 to 0.

### Madisonville and Owensboro.

The game played at Madisonville between the Madisonville and Owensboro teams resulted in a victory for Owensboro by 16 to 0. This clinches the championship for Hopkinsville. Hopkinsville has a percentage of 1000, Owensboro 667, Henderson 000, Madisonville 000.

### Princeton Beats Paducah.

Princeton defeated Paducah Saturday at Princeton by a score of 12 to 5.

### McKnight-Moseley Wedding.

The wedding of Miss Ruth McKnight and Mr. Byron Moseley took place on the afternoon of Nov. 22, at 3:30 o'clock, at the home of Mr. and Mrs. J. J. C. McKnight, near Howell.

Many relatives and friends were present at the ceremony, which was performed by Rev. Mr. Wilson.

Preceding the ceremony Miss Mary Ellen Parker gave a charming program of nuptial music.

The bridal party entered the parlor to the strains of Mendelssohn's March.

The bride's gown was a beautiful white satin draped with rose point lace. She carried a shower bouquet of roses and lilies of the valley, with embroidered chiffon streamers.

Miss Grit McKnight, the maid of honor, was radiant in a gown of pink satin and lace. Mr. Lucian Moseley was best man.

The decorations of the several reception rooms were unusually attractive, pink and white carnations being used in profusion.

Late in the evening the bridal party was tendered a reception at the lovely country home of Mr. and Mrs. S. P. Moseley.

The halls and rooms were decorated in white chrysanthemums with amaranth and ferns.

A most elaborate supper was served. A large collection of wedding presents attested the popularity of the young couple.

Mr. and Mrs. Moseley will, for the present, make their home with the groom's parents. X X X

### Clark-Ray.

Grover Clark, of Earlington, and Miss Almay Ray, of Crofton, were married at the home of the bride Sunday afternoon. Rev. T. T. Powell performed the ceremony.

### Mission Rally.

A special Bible School service was held on Sunday at 9:30 a. m. at the Ninth St. Christian church. Songs were given by the young ladies of McLean College and by the Loyal Daughters class in the Bible School. Miss Iona Robinson's class gave a catechetical exercise. Messrs. William Henry and Henry Mack of the college and Granville Cook made short addresses. The pastor spoke for five minutes. Miss Fannie Campbell, Miss Ruth Oldham and Miss Nannie Boyd told short stories of missionary successes. The central feature of the service was an offering for missions in the United States, Canada and Alaska. It amounted to \$125. Mr. Campbell, the Superintendent of the school and his lieutenants are happy on account of both the service and the offering.

There are now eight accepted jurors in the McNamara dynamiting case at Los Angeles.

## HIGH SCHOOL AND McLEAN RESERVES PLAY TO A TIE.

Game Ends 5 to 5, Radford Runs Entire Length of Field For a Touchdown.

Friday afternoon High School and McLean Reserves played one of the best games ever played in Hopkinsville. The ground was frozen and it was a very cold day, and neither team played at their best. The first half was scoreless, with the ball in McLean's territory most of the game. In the second half, High School by end runs and forward passes carried the ball to McLean's 5 yard line, from here Abbitt carried it over for a touchdown. In the last quarter, Radford of McLean made the longest run ever made on the local gridiron. Fuqua of High School attempted a drop kick, the ball went low, Radford standing behind his goal line rushed forward and caught it only one foot inside and ran the whole length of the field for a touchdown.

The game as a whole was cleanly played, and would have been much faster on a dry field.

This game points out that Thursday's game will be a dandy as McLean and Princeton also played a tie game a week ago. Princeton has come out extra strong lately and succeeded in taking in Paducah to the tune of 12 to 10 on Saturday.

Owensboro beat Madisonville Saturday by the score of 16 to 0. So this clears away any doubt whatever in regard to the championship, and leaves the percentage of the association games as follows:

Hopkinsville.....1,000

Owensboro.....667

Paducah.....000

Madisonville.....000

### SLEEP TWICE AROUND CLOCK

English Physician Says That Is Worth Week's Holiday for Worn-Out People.

If you are just about the end of your tether, if your nerves jangle so that even your best friends can hear them, and if each day feels like a fiery torture almost not to be borne it is a sign that you are worn out and in need of rest and recuperation. If your vacation is already past or still in the distant future try taking a vacation in minimum, that is sleep the clock around twice, choosing Sunday if you can spare no other day, and see how fit you will feel afterward. This is the advice of a well-known English physician and it is well worth taking.

"To pass 24 hours in bed," he said to a friend, instead of rushing away for a few hours' change of scene, when you are run down physically and mentally, is worth a week's holiday. The night before going to a theater, to take the mind off worries, and having supped wisely and well, instructions should be given that the morning calling shall be omitted.

"Then sleep. On waking again ring for some hot milk. Drink it and sleep again and keep on sleeping. Have nothing in the intervals more substantial than soup. Do not read. Keep the eyes closed constantly. Have a warm bath in the evening and sleep again.

"When you are tired of sleeping, sleep again for the night. Nothing calms the nerves more than resting the eyes."

## \$3.50 Recipe Free For Weak Men.

Send Name and Address Today ---You Can Have it Free and Be Strong and Vigorous.

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, failing memory and lame back, brought on by excesses, unnatural drains, or the follies of youth, that has cured so many worn and nervous men right in their own homes--without any additional help or medicine--that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription free of charge, in a plain, ordinary sealed envelope, to any man who will write me for it.

This prescription comes from a physician who has made a special study of men and I am convinced it is the surest acting combination for the cure of deficient manhood and vigor failure ever put together.

I think I owe it to my fellow men to send them a copy in confidence so that any man anywhere who is weak and discouraged with repeated failures may stop dragging himself with harmful patent medicines, secure what I believe is the quickest-acting restorative, up-building, SPOT-TOUCHING remedy ever devised, and so cure himself at home quietly and quickly. Just drop me a line like this: Dr. A. E. Robinson, 3715 Luck Building, Detroit, Mich., and I will send you a copy of this splendid recipe in a plain, ordinary envelope free of charge. A great many doctors would charge \$5.00 to \$5.00 for merely writing out a prescription like this--but I send it entirely free.
